

## 18 June 2024

Reference: Invitation for Proposals – Responses to requests of additional information/clarifications /17 June 2024. In accordance with Section II of the Invitation for proposal provisions - the deadline for requests of additional information/clarifications submission was 17 June 2024. Below is the summary of requests of additional information/clarifications and responses

Question	Response
<p>C.4 ‘proposed programme budget’ – there are no indication in the call about project size/ project ceiling. We understand it is a proposal for 2/3 years (2024/2027). However, depending on the size of the budget, we would propose activities in one of the regions only or in all the regions. If this call is for small grants (e.g. US\$ 10,000 per year) we would focus our proposed activities in one region. If the call is for larger grants (US\$ 100,000 or more per year) we could expand the proposed activities to all five regions mentioned in the call.</p>	<p>The support will entail small grants and applicants can choose the areas to cover, based on their comparative advantages and area of expertise.</p>
<p>Budget threshold: Is there a proposed budget threshold per priority area?</p> <p>Proposal Narrative, M&amp;E and Budget template: Are there any templates for the proposal narrative, M&amp;E and budget?</p> <p>Is there a scoring matrix that will showcase how each area of the proposal will be assessed and scored?</p>	<p>The support will entail small grants and applicants can choose the areas to cover, based on their comparative advantages and area of expertise.</p> <p>There is no other templates, applicants are required to complete <i>Annex I: CSO Profile and Programme Proposal (To be completed by CSO submitting proposal)</i></p> <p>Information provided in Annex I: form will be used to inform the review and evaluation of CSO submissions as outlined in the Invitation for Proposals.</p>
